BLUES NOTES

Published by the Detroit Blues Society

“Saturday, 07/19/14 – What to do on a sunny afternoon in Plymouth MI? Lucky our friends at BMW of SE Michigan were hosting an open house to show off their new location on Haggerty Rd and their awesome array of motorcycles. Add to the generous supply of tasty food and BBQ the outstanding music of Rattlebox and it was a special treat. *Spider has been following the band Rattlebox for a dozen years and has loved every encounter.* The members, Jim Price, Stefan Graf, Aye Busch, Phil Ryski and Kevin Howard. *They play a wide variety of blues and rock covers with high energy and gusto. This band only rarely appears in public these days preferring private events only. Too bad as they are very good at what they do and I would like to see them more often.*”
